Privacy Policy

Effective Date: 01/10/2023

Thank you for using Personal Dictionary ("the App"). Your privacy is important to us, and we are committed to protecting your personal information. This Privacy Policy explains how we collect, use, and disclose information when you use our mobile application.

Information We Collect

The App does not collect any sensitive data, personal information, usage data, or any other information from users. We do not request access to your device's camera, microphone, location, or any other sensors. We do not collect your name, email address, phone number, or any other personally identifiable information.

Use of Information

Since we do not collect any information from users, we do not use any data for any purpose. The App is solely a dictionary and does not involve user accounts, profiles, or any form of data processing.

Third-Party Services

We do not use any third-party services, including but not limited to analytics, advertising, or social media integrations in the App. This means that your usage of the App is not shared with any third parties.

Security

We take the security and privacy of your information seriously, even though we do not collect any personal information. The App is designed to function entirely offline, and no data is transmitted over the internet.

Children's Privacy

The App is not intended for use by individuals under the age of 13. We do not knowingly collect any information from children under the age of 13. If you are a parent or guardian and believe that your child has used the App and provided us with any personal information, please contact us, and we will promptly delete that information.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our practices or for other operational, legal, or regulatory reasons. We will notify users of any material changes by posting the updated Privacy Policy within the App. Please review this Privacy Policy periodically.

Contact Us

If you have any questions or concerns about this Privacy Policy or our privacy practices, you can contact us at **contact.techpalm@gmail.com**.

By using the App, you agree to the terms and conditions of this Privacy Policy. If you do not agree with this Privacy Policy, please do not use the App.

Personal Dictionary is committed to respecting your privacy and providing a safe and secure user experience. Thank you for using our App.
